

Let's Play House

The Storybook Playhouse (5 1/2 x 5 1/2 x 9 feet), one of many imaginative playstructure designs by Barbara Butler, suits small yards. It features windows, peepholes, a Dutch door, and decorations that stimulate play. (Price is \$3,495, plus cost of delivery and installation).

The artist and builder has been creating similar colorful structures of all sizes for nine years. Butler's custom designs range from simple playhouses (\$2,400-\$3,900) to more elaborate castles (\$4,900 - \$70,000). They are shipped for on-site assembly.
